On successful completion, you will be awarded a **Internationally recognized 300 Hour Yoga Alliance Certificate.**

VINYASA KRAMA YOGA

Vinyasa Krama is a style from Shri T.Krishnamacharya, Father of Modern yoga, from the southern India. He is the teacher of Pattabhi Jois and Iyengar who are the pioneers for sharing the knowledge of yoga through across the globe.

Vinyasa Krama is a traditional yoga style with sequences which focus on connecting breath with movement and exploring breath in each asana and expanding the prana inside our body.

Vinyasa karma is taught by our guru Shri Srivatsa Ramaswami who spend 35 years of his life with Shri T.Krishnamacharya

The training will enable you to understand the main elements of Vinyasa Krama Yoga and how to build a practice that includes unique and benefitting features of this style.

There is heavy focus on alignment, dynamic movements, static postures (long holds), breath awareness and Drishtis.

FAQ

1) What if I miss a class due to unforeseen situations?

You will have access to the recording.

2) What if I cannot do a posture? Am I not fit to be doing this course?

You will be aided and given modifications for your own practice. The course focuses on developing your skills as a teacher. You will be able to teach postures that you cannot do yourself.

3) How soon can I start teaching after the course?

Your certification will be given to you only on the completion of all assignments and assessments including internship and personal practice hours. We recommend staying with your practice and teaching small personal groups to develop on your style before you can start teaching.

4) What if I have never practiced before?

You can still participate in the course, but we suggest you start attending classes to get your practice started before the commencement of the course. This will help you to keep in pace with the group.
